

Dear customers,

It's far too warm here, but we're hoping our wintery picture might change that, at least emotionally speaking. My snow-loving Norwegian Forest Cat is wondering what we silly humans did to the weather and where all the snow is. I'm wondering too.

It wasn't a bad year for us at all. Hopefully the worst of a bunch of bad years is over.

In the meantime take care of yourselves and have a happy, peaceful and relaxing Christmas!
